

INSECTS

Insects are small creatures. They have six legs and one or two pairs of wings.

Insects have a pair of antennae on their head

I crawl

I am disciplined like the insects

Worker Termite

Stick Insect

Worm

Snail

I am diligent like the insects

I am ready to fly

Honeybee

Butterfly

Dragonfly

Mosquito

Cockroach

Ladybug

Grasshopper

Housefly

Firebug

Wasp

Insects can be harmful because some can sting, bite or even spread disease.

Insects give us honey, silk, bee wax and dyes.

Insects live in plants, web, hole, grass, hive and the soil.
