- ◆ The main seasons of the year are summer, winter, autumn and spring.
- ◆ We wear different types of clothes in different seasons.
- ◆ We wear cotton clothes that keep us cool in Summer.
- ◆ We wear woollen clothes that keep us warm in Winter.
- ◆ We use raincoats, gloves, caps, and jackets to protect us from getting wet during the rainy season.
- ◆ We see the flowers blossom, hear the birds chirp, and baby animals jump in joy in the spring.
- ◆ Thank you Seasons!
