

WAYS TO CONSERVE NATURAL RESOURCES

Turn off the faucet/taps when not in use while brushing, bathing, washing clothes, and dishes.

Switch off the light, fan and other appliances when you leave a room.

Think before you waste a paper as papers are made from trees.

Plant more trees and stop soil erosion.

Prefer to walk for short distances instead of using a vehicle.

Say no to plastics.

REUSE

Cloth Bags

REFUSE

Plastic Bags

REDUCE

Wastage of Water

RECYCLE

Organic Waste

Practice 4R's
